BOLLARD *SIGN SYSTEM*

Our maintenance-free Bollard Sign System utilizes a traditional steel post sleeved with a bollard cover and a 1-1/4” steel pipe sleeved in plastic, giving you both strength and curbside appeal.

PRECISION CUTTING

The clean, precisely machine cut cover will ensure your sign system looks professional.

HIGH VISIBILITY

Increases visibility to prevent damage to vehicles and storefronts. Custom decals available.

MAINTENANCE FREE

Requires no painting or labor costs. Save time & money. Doesn’t crack, chip, or peel.
